PULL BEHIND BIG ROLL HARVESTER

LONG TIME FAVORITE OF TURF PRODUCERS

**PULL TYPE HOOKUP FOR
40 TO 70 HP TRACTOR**

The RL Series Big Roll Sod Harvesters are the safest, most affordable ground driven roll harvester produced.

The RL Series "pull behind" Big Roll harvester has proven itself as a precision cutting machine, with a floating cutter head and rear control panel.

The RL Series harvester is built rugged in construction and is easy to operate.

*Quality, Durability and Reasonable
Price all in one package!*

**THE RL SERIES HARVESTER
IS UNMATCHED IN ITS CLASS**

STANDARD FEATURES INCLUDE:

- Floating Heads
- 100% self-contained hydraulic settings
- Two-stage 540 PTO pump allowing lower rpm
- Rear-mounted hydraulic provides the ground operator with controls
- Adjustable Head Speed
- Hydraulic Tube Clamp
- Electric Depth Control
- Built with production and longevity in mind

OPTIONS:

- Electric Counter with horn
- Available in 30" and 42" solid cut or 42" double cut
